

ST. DAVID'S SCHOOL Accelerated Reader Quiz List

Accelerated Reader, a guided, independent reading program, is one of the tools used by St. David's kindergarten through fifth grade teachers to evaluate students' reading comprehension and to encourage independent reading. Because we promote the love of reading as a reward in itself, the points and incentive components of Accelerated Reader are not used at St. David's. The AR program is used differently across grade levels. If you have questions about the requirements for your child, please contact his/her teacher. All of the books on the following list are available in the St. David's School Libraries.

Book Level indicates the book's grade level readability score.

Interest Level indicates content appropriateness: LG-Lower Grades (K-3); MG-Middle Grades (4-8); MG+ (6 and up); UG-Upper Grades (9-12).
