

FRIENDS
of ST. DAVID'S SCHOOL

Committee Handbook

2011-2012

"A friend loves at all times..."

- Proverbs 17:17a

Friends of St. David's School warmly welcomes you to the 2011-2012 school year. *Friends* is a volunteer parent organization that encourages parent participation in the school community by providing resources and support. We actively participate in ways that compliment the teachers and staff, and touch many aspects of your child's experience at St. David's.

We are very blessed to have such an active and enthusiastic community. There are 20 different committees that exist to enrich the school's community life. Our goal is to include as many families as possible. Every parent of St. David's is automatically a member! Your involvement will help connect you to your child's experience at St. David's. It is also a fun way to meet other families while serving.

This on-line handbook is your tool to getting involved and being informed. It lists your Executive Board information, committee and co-chair contact information, as well as committee descriptions. Please pray about how you can use your special gifts, talents and abilities to serve. You will also find a Friends Calendar of Events.

Our monthly *Friends* meetings begin with "Coffee and Conversation" and then continue as a time to gather school-wide information, enjoy student spotlights, and reflections by mothers of our Senior class. They are held on the 2nd Thursday of each month. Please mark your calendars now to join us. You won't want to miss them!

I look forward to serving God by serving others along with you this year. If you have any questions please don't hesitate to contact me.

Joyfully Serving,

Kacie Gillam, President

Friends of St. David's School
