

JUST THE FACTS ABOUT St. David's School

St. David's School is an independent, Episcopal, coeducational day school for students in grades Kindergarten through 12. Fully accredited, with a low student/teacher ratio, the school prepares young men and women for college and life by providing challenging opportunities to excel in the vital areas of faith, virtue, and knowledge.

Located on a beautiful, wooded campus in suburban Raleigh, North Carolina, St. David's School draws students from Raleigh, Durham, Chapel Hill, Wake Forest, Cary, and the surrounding area.

The **Lower School** (K-4) provides students with a structured educational setting while inspiring in them a love of learning and a growing awareness of God in their daily lives. The **Middle School** (5-8) offers a program that is structured and challenging; at the same time, it encourages students to become actively engaged in the learning process. The **Upper School** (9-12) provides superb academic and extracurricular opportunities, including standard, advanced, honors, and Advanced Placement (AP) courses to create a profile of learning best suited to each student's interests and aptitudes.

We are excited to announce the addition of a **Pre-Kindergarten program** beginning in the 2012-13 school year.
