

ST. DAVID'S SCHOOL
Warrior Club
Membership Information
2009-2010

As the State Runner Up in Baseball and Boys Tennis, St. David's School placed second in the 2009 Wachovia Cup recognizing the best overall interscholastic athletic performance within the 2-A Division for the State of North Carolina.

The Warrior Club is an organization of St. David's families providing important volunteer and financial support to the athletic programs at our school. Membership in the Warrior Club underscores your commitment to our thirty-nine competitive sports programs at the varsity, junior varsity and middle school levels. Your time and talent, combined with your family membership of \$150, will help us continue to excel in our athletic endeavors.

Your support is greatly appreciated by our student athletes and our coaching staff, and your membership entitles you to free admission at all home sports events, including your Junior Warrior Club members! You will also receive up-to-the-minute sports and scheduling updates via e-mail.

Last year we funded the participant t-shirts for all sports, purchased a mobile defibrillator to travel with the high contact teams, funded the safety fence to separate the soccer/football field from the stands, and funded the end of year scholarship awards recognizing several outstanding student athletes. Other past projects include; scoreboard for the baseball field, high jump pit for the track and field program, safety netting between soccer and baseball fields, irrigation of both the football/soccer field and the baseball infield, sodding the baseball infield, renovating the baseball dugouts, and purchasing a PA system.

Please complete the form on the back of this letter to join the Warrior Club and be a part of the exciting 2009-2010 athletic season!
