

ST. DAVID'S SCHOOL

2008-2009 Annual Report

Dear St. David's Community,

Another year has come and gone, and again we are thankful to God for His provision for our School. On behalf of the Board of Trustees, thank you for your continued commitment to providing an excellent education for each child at St. David's.

Our faculty and staff's reports from the classrooms, field trips, Chapel, Advisories, performances, and athletic fields are overwhelmingly positive. Our students have wonderful opportunities in all areas of academic, social and athletic endeavor. With their family's support, they are using those opportunities to grow in the "vital areas of faith, virtue, and knowledge."

This past March, we publicly launched our \$15 million *Together for Excellence* Capital Campaign. Our campus will be remade and will continue to be a truly wonderful place for our children to grow, learn and mature in preparation for college and beyond. It is a part of our vision to provide the best preparatory school experience possible for our children--right here in Raleigh. Thank you for giving generously. We are encouraged by the results so far and the buildings are ahead of schedule!

Also, thank you to each one of you in this report who has given generously, and often sacrificially, to the Annual Fund, which helps bridge the gap between tuition and the true cost of an excellent education. We thank Lynn and Johnny Garrett for their leadership on another successful Annual Fund drive, so vital to the ongoing mission of the school.

St. David's School, by God's grace, is demonstrating to the whole community what excellence in education looks like. Thank you for being a part of that mission and ministry to our children.

Yours truly,

Joe Knott
Board Chairman

ST. DAVID'S SCHOOL

ANNUAL FUND

By Constituency

Dear St. David's Community,

What a wonderful year and what a privilege to be a part of the St. David's family! From the "Back to School" picnic on the field to the graduation reception at the Renaissance Hotel, there were many jobs that were done well, so many people to thank, and much life that was lived! It is such a blessing to us and our family to be a part of this great place--a community made up of gifted, talented and generous people.

This year the St. David's Annual Fund raised \$353,299. We want to thank each of you for your generous support of the school in this way. We are blessed at St. David's to have an incredible community of parents, grandparents, board of trustees, faculty, alumni, and friends of the school that continue to be committed to the daily execution of the mission of the school - of which the Annual Fund plays an essential role. It was a great year and your support was essential to this success.

Thank you again for your support and we look forward to continuing to partnering with you for many years to come.

Blessings to you and your family,

Johnny and Lynn Garrett

TOGETHER FOR EXCELLENCE
Capital Campaign for St. David's School
By Constituency

Dear Families, Faculty, and Friends of St. David's,

If you haven't ventured in the direction of the St. David's campus in the last few weeks you will be amazed at the progress and grandeur of our new facilities! It is exciting and rewarding to be part of such a good work that benefits not only our own children, but also children and families for decades into the future, and all of this with the Rock of Christ as its foundation.

We are so very grateful to all of you who have made gifts and pledges to the *Together for Excellence* Capital Campaign. As most of you know, we are working to accomplish the goal of raising a \$15 million endowment to better our school. The first \$12 million raised will allocate funding for facility enhancements. The later \$3 million will allocate funding towards the long-term sustainability of the school in the areas of faculty development, financial aid, and facility maintenance.

Despite the financial uncertainty of this past year, together we have raised \$7.81 million towards the \$12 million building endowment. There is still much work to be done in order to reach our ultimate goal, but with the worst of the economic contraction hopefully behind us and four years ahead of us, we remain optimistic that others will step up in this worthy undertaking. Alfred Stanway, Bishop of Tanzania said "God's Work, done in God's way, will have God's resources." Those of us working in the campaign lay claim to that credo, and pray fervently that, working through His people, the Lord's blessings will continue to enable the part of His Kingdom that sits at the corner of White Oak and Lassiter Mill.

It is an exciting project, worthy of our sacrificial gifts. Thank you for your generosity and partnership in fulfilling the mission of St. David's School.

Blessings to you and your family,

Bill and Doris Morris

This money was used for a new fence on the sports fields, an event tent, student athlete awards, charter bus rentals, team meals, community coaches' stipends, as well as numerous other items. The amount also includes proceeds from the Warrior Club Golf Tournament which is given in support of the Together for Excellence Capital Campaign.
